

# THE LODGE

Jackman's Lodge monthly newsletter

## Let it snow!

What fun we had in the snow! Some of us were happy to watch it fall from the warmth of the lounge (or the comfort of our bed!) whilst others decided it was time to have a giant snowball fight! George the bear even joined in...

## Burns night

Haggis, neeps and tatties, bagpipes and poetry, it was all there and we loved it! Well, most of us chose Chris' beef over haggis but all in all, it was a mighty success!

## Elvis was here!

Despite what you might think, Elvis did make it to the UK for a one off concert at Jackman's Lodge! He was very impressed by some of his fans!

## MORE ON WHAT WE DID THIS MONTH

At JL, we pride ourselves in offering an array of activities to choose from. Not everybody enjoys watching a series or listening to classical music and it is important to cater for everyone. This is why one-to-one sessions take place daily for those who don't fancy a group activity. This month, we have really enjoyed discussing fashion through the ages, playing bingo and quizzes, having cheese and wine events and singing! It's the little things that make a big difference! Emma, the activity coordinator even organised for cress seeds to be planted in individual cups so we can watch them grow (and possibly even eat them!) We also enjoy regular arts and crafts sessions where we paint, cut out, stick and basically mostly CREATE!

## COMING UP NEXT

Love, Love, Love...Valentine's Day of course (we will be baking!!) but not only! In no particular order, this is what we have planned for the next few weeks : Chinese New Year celebrations, Shrove Tuesday, Mardi Gras, The Oscars...

**Any questions or suggestions? we would love to hear from you!**

**Karen Baker (Area Manager):** karen@jackmanslodge.co.uk

Tel: 01483 761779

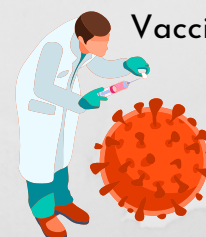

**Sophie and Julien Payne (Owners and Directors):** sophie@titleworth.com or hellojulienandsophie@titleworth.com

Tel: 01483790071

## COVID CORNER

*We are proud to be Covid free and will continue to prioritise safety, care, cleanliness and enjoyment.*

- We offer Covid testing for visitors
- Full PPE provided
- Social distancing measures in place
- Enhanced cleaning schedule
- Covid-19 training for all staff
- Safe visiting in our comfortable visiting suite

**Vaccinations all done at the Lodge!!**

We would like to tell Malcom that we miss him and hope that he gets better so that he can come back to Jackman's Lodge very soon.
